Subject: FDEP Assumption of 404 of the Clean Water Act - Corps-FDEP MOA

Colonel Kelly,

I am the Director of the Water Protection Division in EPA's Region 4 Office. As part of EPA's efforts with the Florida Department of Environmental Protection (FDEP) related to assumption of the 404 Program under the Clean Water Act, EPA received from FDEP a copy of the proposed Memorandum of Agreement (MOA) between FDEP and the USACE. Because the MOA is a required program element for FDEP's assumption of the 404 program, EPA reviewed and prepared comments for consideration by USACE and FDEP (see attachment). It is my understanding that our respective Headquarters Offices have discussed these comments. A copy of the comments have also been transmitted to FDEP.

If you, or your staff, have any questions or would like to follow up with us regarding these comments, please call me at 404-562-8979 or send me an email at gettle.jeaneanne@epa.gov.

Thank you,
Jeaneanne Gettle
Director, Water Protection Division
USEPA Region 4
